SPONSOR AN AFRICAN SCHOLAR

NELLY ZIERI LUNGANZO

Nelly comes from a family of 14 children who tragically lost their mother as young children and a short time later lost their father. The siblings were then unable to afford school fees therefore many of them were forced to leave school and seek unskilled and low paying work to survive. Nelly and her sister were sponsored by SAAS and completed Secondary School. Nelly went on to attend the Mombasa Aviation College where she studied Hotel and Catering. After college she worked in a local restaurant however she then decided she wanted to join the police and she is now working in the National Youth Service. Nelly has realized her life's ambition thanks to the generosity and kindness of SAAS sponsors.
